'Using 3DEXPERIENCE on the Cloud Allowed us to deploy the platform faster than we expected.'

SOGEFI GROUP

CHALLENGES

To use a unified tool for all the Business Units to cover APQP project management in a world wide scope.

The same tool will be able to be used for CAD Management, Engineering and Quality document management .

SOLUTION

The company adopted the 3DEXPERIENCE Cloud

- Version: 2022x Cloud
- Key Trigram/Portfolio: .929 PCS-OC + 210 DPM-OC + other roles
- Range of users: > 200 users for Program Management and plant operational documents.

BENEFITS

- A powerful Project Management tool able to efficiently control planning, gates, risks, tasks and in a near future to connect technical data CAD parts and BOM .
- Cloud Solution make a fast deployment of users without strong IT / Infra
